Division of Workforce Development

Raleigh Economic Recovery Workshop
Wake Technical Community College

June 4, 2009

NORTH CAROLINA
the state of minds

Key Federal Level Expectations

- Transparency and accountability (Government Accounting Office, US Department of Labor)
- Expedited and effective use of funds
- Substantial increase in numbers of customers served and receiving training
- Emphasis on services for hard to serve populations and provisions of support services and needs based payments

WIA Funding Distribution

Local Areas

- \$56,748,247—allocated to the 24 local Workforce Development Boards
 - > \$21,310,093 to serve Youth
 - > \$ 8,786,590 to serve Adults
 - > \$26,651,564 to serve Dislocated Workers

Use of these funds have been reviewed by the OERI and encumbered to the 24 Boards.

Focus on Workers a Priority

HELPING WORKERS HURT BY THE ECONOMY
